License to Use Individual Clips of Copyrighted Video/DVD in PowerPoint

Thank you for your interest in using portions of our videotape/DVD, **BIOLOGICAL NURTURING@: LAID-BACK BREASTFEEDING FOR MOTHERS** for your PowerPoint presentation. Copyright law requires we must actively protect our copyright or forfeit it by neglectful action. Geddes therefore appreciates your honesty in approaching us in this manner. To that end we are working to make this process as easy and affordable for all involved.

Before we can grant you permission to use the clips, **the following conditions *must* be met:**

1. We expect that you have already purchased the video/DVD in its entirety. If you do not already own the video/DVD you will need to purchase it, in addition to the purchase of the individual clips. If you have previously purchased the video/DVD, please provide proof of purchase (for example, receipt or name and date of conference at which it was purchased).
2. Geddes Productions, LLC will make each requested clip. Each clip purchased will have our Copyright information imbedded into the clip to prevent the clip from entering public domain. The embedded information will flash discreetly at the lower left corner of the clip with the words "Permission to (your name) © (yr of DVD) (name on copyright) www.geddesproduction.com." The License Fee includes the cost of producing the clip.
3. A License Agreement will be drawn up and signed by you and Geddes Productions, LLC outlining the details of this license arrangement and the fee paid *before* the clips are made. Clips will either be emailed to you or posted on a retrievable site and you will be notified where to upload them.
4. This arrangement is for your PowerPoint presentation only and does not allow copies to be made for any other person or purpose. This arrangement is **NOT** for use on the Internet, intranet nor may it be used if your presentation is recorded in any way (audio or video). Such use requires a separate agreement.

Biological Nurturing® is a term trademarked by The Nurturing Project, Ltd., owned by Suzanne Colson. If you wish to use this term within your presentation, you need to contact the Nurturing Project, Ltd. in order to be granted permission to do so *by them*. www.biologicalnurturing.com

If you have further questions please don't hesitate to contact us. When you are ready to purchase clips please provide us with a detailed description of the clip requested and include two originally signed copies of this Agreement along with your payment. We will return a fully signed Agreement giving you permission to copy the video/DVD.

Sincerely,
